SINCE 1993

We are Wisanka a furniture and home deco manufacturer which collaborate between Indonesian craftsmanship and environmentally friendly sources of materials. Our highest priorities are customer satisfaction, by providing good quality products of course, and also maximizing positive impact for environment. So we continuously develop our strategies and capabilities. Further, we also conduct series of Research, Design, & Development program to construct a business as well as products in which placing sustainability in the highest priority. Believing that by balancing our business activities and social responsibilities, success will be achieved.

COMPANY CERTIFICATION

Every product we produce demonstrates high performance, quality and sustainability. Our products are the foundation for a sustainable future. Upholding the highest integrity towards sustainable forest management and international quality standards throughout its business. With natural materials sourced from well-managed forests, we take a meticulous approach to forest procurement and processing supported by sustainable management principles that have become our standard.

Verified and certified based on SVLK and FSC. We ensure that the wood we use is 100% sourced and traceable to legal and sustainably managed forests.

We strive to use wood responsibly, every part of the raw material is processed into a product, and the remaining waste is recycled and redesigned into new products or used in production to become supporting materials for production.

We ensure that the raw materials we use are very valuable to be fully utilized and we ensure there is no waste left. Our process uses low-carbon materials to minimize emissions, as part of our promise to protect nature for the lives of future generations.
