

**SYNTHETIC RATTAN FURNITURE
COLLECTIONS 2026**

SINCE 1993

We are Wisanka a furniture and home deco manufacturer which collaborate between Indonesian craftsmanship and environmentally friendly sources of materials. Our highest priorities are customer satisfaction, by providing good quality products of course, and also maximizing positive impact for environment. So we continuously develop our strategies and capabilities. Further, we also conduct series of Research, Design, & Development program to construct a business as well as products in which placing sustainability in the highest priority. Believing that by balancing our business activities and social responsibilities, success will be achieved.

COMPANY CERTIFICATION

Every product we produce demonstrates high performance, quality and sustainability. Our products are the foundation for a sustainable future. Upholding the highest integrity towards sustainable forest management and international quality standards throughout its business. With natural materials sourced from well-managed forests, we take a meticulous approach to forest procurement and processing supported by sustainable management principles that have become our standard.

Verified and certified based on SVLK and FSC. We ensure that the wood we use is 100% sourced and traceable to legal and sustainably managed forests.

We strive to use wood responsibly, every part of the raw material is processed into a product, and the remaining waste is recycled and redesigned into new products or used in production to become supporting materials for production.

We ensure that the raw materials we use are very valuable to be fully utilized and we ensure there is no waste left. Our process uses low-carbon materials to minimize emissions, as part of our promise to protect nature for the lives of future generations.

WINDARO CHAIR WITH MONICA SQUARE TABLE

A close-up photograph of a circular object, possibly a lampshade or a piece of furniture. The top half features a light-colored, intricate woven pattern. The bottom half is composed of numerous long, thin, dried palm fronds or similar natural materials, hanging down in a dense, textured fringe. The lighting is soft, highlighting the textures of the materials.

CAROLINE SINGLE DAYBED

A photograph of an outdoor terrace featuring three wicker chairs with a fan-like backrest design. The chairs are arranged on a grey stone patio. The foreground chair has a blue and white polka-dot cushion. Behind it, another chair has a blue and white geometric patterned cushion. A small, round, green topiary plant in a grey pot sits on the middle chair. The background is filled with lush green foliage, including a large yellow-flowered bush and dark green plants. The scene is brightly lit, suggesting a sunny day.
