WHY CHOOSE WISANKA

Presenting the best quality and best services for our customers are our main target. We do with neatly, in time, and with a wholehearted to process our product. Thus, it becomes the right choice to have a business partnership with us considering below points:

EXPERTISE

We have been in furniture industries for more than two decade. We created furniture from many different materials in diverse design. We are expertise in this business supported with our professional team. Our loyal customers reach in several countries, such as Japan, Chile, Africa, Egypt, Bulgaria, Australia, New Zealand, Korea, Spain, Mexico, Dubai, Libya, Lebanon, South Africa, and many more.

QUALITY

We fully realize that no matter beautiful the goods if it has defects or easily damage that will reduce the value. Therefore, we have solid quality control team in every line in our production to make sure the consistency quality according to our standard. We are supported with reliable craftsman and well manage production system which is taking a responsibility to check from raw material to ready product with

ECO-FRIENDLY FURNITURE

Water hyacinth, sea grass, banana leaf, abaca leaf, rattan is the main material of our furniture products. Those materials actually wasted, with our creativity and brilliant idea we brings into worldwide product. Our production help our environment to make wasted into more value product. Moreover, we use eco-friendly finishing material using water base as a solvent. Weaving material and finishing paint both are safe for our workers and environmental.

COMPETITIVE PRICE

We assure that our price is competitive with other competitors in market regards to the quality. We provide wholesale price with high quality.

BEST SERVICES

We always give our best services with our best agent. We provide with manner and assist our customer from very first deal to the end. In addition, we open with further discussion for any complaint about our product.

IMPORTANT NOTICE :

- This furniture is handmade, crafted and finished by hand without machine tools. No two pieces can be identical or exactly the same, slight differences might occur in sizes or color.
- Wooden and woven materials are plantation grown it will adjust naturally to climatic and humidity changes, it might appear into crack (for wooden frames) or fungus (especially water hyacinth and banana leaf fibers).
- Not recommended for outdoor use. Keep away from water and rain.
