INDONESIA

WOODEN INDOOR FURNITURE COLLECTIONS

FOREWORD

We are Wisanka, a furniture and home deco manufacturer which collaborates between Indonesian craftsmanship, machinery production, and environmentally friendly sources of materials to balance our business activities and social responsibilities with more than three-decade experience in the industry. As one of the Indonesian furniture manufacturers, we continuously improve our strategy to create the highest level of customer satisfaction by providing good quality products of course, and also maximizing positive impact on the environment. We conduct a series of Research, Design & Development programs to construct a business as well as products in which placing sustainability in the highest priority.

WHY CHOOSE WISANKA

Presenting the best quality and best services for our customers are our main target. We do neatly, in time, and with a wholehearted to process our product. Therefore, be the right choice to have a business partnership with us by considering the following :

EXPERTISE

We have been in furniture industries for more than two decades. We create furniture from many different materials in various design. Our expertise in this business is supported by our professional team. Our loyal customers reach in several countries, such as Japan, Chile, Egypt, Bulgaria, Australia, Korea, Spain, New Zealand, Mexico, UAE, Libya, Lebanon, South Africa and many more.

QUALITY

We are fully aware that just as goods are beautiful if they have defects or are easily damaged it will reduce the value. Therefore, we have an excellent quality control team in each line in our production in order to ensure quality consistency in accordance with our standards. We are supported by reliable craftsmen and a well-managed production system that is responsible for checking from raw materials to ready products with details.

ECO-FRIENDLY FURNITURE

Water hyacinth, sea grass, banana leaf, abaca leaf, rattan is the main material of our furniture products. Those material are actually wasted, but with our creativity and brilliant ideas that we bring into products all over the world. Our production helps our environment to turn waste into more valuable products. In addition, we use an environmentally friendly finishing material using a water base as a solvent. Woven material and paint finishing are both safe for workers and our environment.

COMPETITIVE PRICE

We ensure that our prices are competitive with other competitors in the market regards to quality. We provide wholesale prices with high quality.

BEST SERVICES

We always give our best services with our best agent. We provide with manner and assist our customer from very first deal to the end. In addition, we open with further discussion for any complain about our product.
